

5. Candidates should write their names *distinctly and in full and should state clearly in column 5 of the application under what rule, clause of, or exception to, a rule* they seek admission to the examinations. Only one form of application should be used by each candidate, although he may appear for more than one examination.

6. Candidates anxious to assure themselves that their applications have been received in this office should enclose an *addressed post card with their respective applications*. The post card should bear the sender's *addresses only and no other writing*. Such post cards will be returned to them in due course with an impression of the office stamp upon them. No other form of acknowledgment, except that required by the postal rules regarding registered covers will be given, nor will any notice be taken of any letter from any candidate enquiring whether his application has been received. *Insufficiently stamped covers will be rejected*.

7. The application fee must be paid into a District or Taluk Treasury of the Mysore Government and the application forwarded to the Secretary with the seal of the Treasury and the signature of the Treasury Officer, in column 11 thereof in evidence of the fee having been so paid. The fee should on no account, be remitted to the Secretary.

8. The fee will be returned if the application is rejected on the ground that it did not reach the Secretary within the prescribed date or that the fee was not deposited in time or that the candidate's certificates are not satisfactory. No refund of the fee will be allowed under any other circumstances, but it may be reserved in the following session for the examination for which the fee has been paid, if the candidate is unable to sit for the examination on the ground of illness supported by a medical certificate by a competent authority not lower in rank than a District Medical Officer, or by a Medical Graduate countersigned by the District Medical Officer, provided that the application for such reservation is sent so as to reach the Secretary on or before the date of examination for which the fees have been paid. Any excess fee that may have been inadvertently paid into the Treasury will not also be returned.

9. Candidates are warned that applications received by post or otherwise after the due date or unaccompanied by all the necessary certificates will be rejected.

10. No application for a change of centre will be entertained after the 31st October 1946.
